

Roll-call for Covid-19 prevention on Moodle

The instructions on the roll-call system for Covid-19 prevention on Moodle

Students connect to the Moodle and enter into the course page presented as the illustrations.

Notice:

1. Teacher has to open Moodle page of the course before students enter the course.
2. Students can log in to register the roll-call on the Covid-19 prevention platform for the duration from 30 minutes before the start of the class to 10 minutes after the end of the class.
3. If the students want to log in for registering the roll-call on the Covid-19 prevention platform, please do it with the Moodle page; this service is not applicable to the Moodle APP.
4. This service is only available to the NCKU students but not for the students of inter-school course enrolment and the temporal account students.
5. The records of registering the roll-call as above approach are saved to the Covid-19 prevention platform. If you want to find the records, please go to the Covid-19 prevention platform.

The screenshot shows a mobile browser view of a Moodle course page. At the top, the time is 4:24 and the battery is at 99%. The URL is moodle.ncku.edu.tw/dev/cc. The page content includes a course title '主題 10', a sub-title '主題 11', and a '課程快速設定' (Course Quick Settings) section. This section displays '上課教室:唯農大樓-7405' and '上課時間:[4]7-8'. Below this, there is a blue button with the text '強化防疫、安心學習，請登錄出席至防疫平臺'. The page also shows a '活動' (Activities) section with a '討論區' (Discussion Forum) icon and a '最新消息' (Latest News) section with the text '(目前還沒有發佈消息)'.
